THE GARDEN IS A PLACE WHERE NEIGHBORS WORK TOGETHER AND SHARE THE HARVEST!

The mission of the Ravenna Community Garden is to build a strong, inter-generational community while increasing local food security, and improving the health of our planet through sustainable garden practices.

Through gardening together, we get to know our neighbors, learn from each other about producing and preserving food that is grown organically and sustainably, and beautify our neighborhood. We enhance our own health through eating locally-grown, fresh, flavorful, and nutritious fruits and veggies, exercise, time spent outdoors, and above all, having fun together.

ASSOCIATED RECREATION COUNCIL
For 44 years, the Associated Recreation Council (ARC) has provided recreation, lifelong learning programs and community-driven leadership in partnership with Seattle Parks and Recreation. With a goal of providing equitable access to citywide programs for Seattle residents of all ages, ARC works through 36 volunteer Advisory Councils to fulfill its mission of “building community through citizen engagement and participation in recreation and lifelong learning programs.” ARC is a 501c3 nonprofit organization. For more information, go to www.arcseattle.org.

YOUR ADVISORY COUNCIL
Most classes, workshops, sports and swim programs, special events and facility rentals are funded through the local advisory council, rather than from City of Seattle budgets. Revenues generated through program fees offset program costs to make these activities self-sustaining. We also rely on participation, donations, and contributions to maintain and upgrade equipment. Advisory council members create scholarship opportunities through grant writing and other fundraising activities.

JOIN US!
Citizen direction and participation is essential to our success. Monthly meetings are held to talk about programs, policies, and financial issues. Our advisory councils always are looking for new members. If you would like to get involved, please contact the facility staff for further information.
Do you want your child to have fun, engaging opportunities that support continued learning and personal growth outside of school? The focus of our program is to provide children with opportunities to develop socially, emotionally, and physically. The atmosphere at our program is one that emphasizes community relationships, but also recognizes individual achievement, creativity, and original thinking. We make it our mission to promote self-awareness, self-control, conflict resolutions skills, and positive decision-making abilities. We like to work in partnership with our local schools to make sure your child’s educational experience is constantly being enriched. Our trained staff works daily to offer activities in areas such as: arts and culture, environmental stewardship, health and fitness, academic support, and more.

HIGHLIGHTS OF OUR PROGRAM:
» Quality and consistent care with qualified staff
» We welcome all members of the community
» A morning and afternoon snack will be provided
» Scholarship applications may be picked up at your local community center, DSHS child care subsidies are also accepted

Register NOW at your local community center! A non-refundable $25 deposit for each program (before and after-school) is required during registration, and the remaining monthly fees are due by the 25th of the preceding month.

FEES AND CHARGES

Program charges include a user fee paid to Seattle Parks and Recreation to defray operating costs. Washington State sales tax is also included where applicable. City—Fees and charges are necessary to provide financial support to Seattle Parks and Recreation for the operating costs of programs, facilities, and grounds. The revenue generated by these fees constitutes only a portion of funds required for operating and maintaining the Parks system. All fees collected from activities and concessions are used exclusively for the Parks system as these funds are deposited in the Parks and Recreation Fund, not the City General Fund. Swimming pool fees and charges are set by City Council.
